

Ollies News Flash

Message from Principal

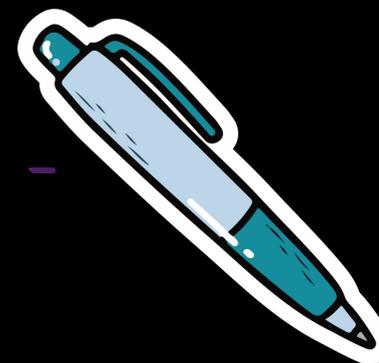

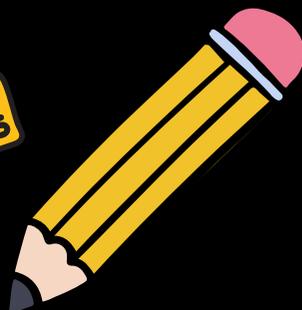

Welcome to our first Ollies Newsflash! This will be the first of many to come. It is created by the students, teachers and Parents Association as part of our digital plan. Hope you enjoy it and have a great Halloween everybody!

Green Team

We have a brand new Green Team for this year! 14 children from across 4th, 5th and 6th class applied and were selected. Our plan this year is to make the school a greener place by, recycling, saving energy and promoting exciting new walking buses...watch this space!

Student Council

The student council is made up of a group of 5th and 6th class students who represent the student voice and collaborate with the teachers to find ways to improve the school for everyone. We have been working hard recently on the Scholastic Book Fair which raised thousands for our library. Next up is our Unicef Child Rights School programme which we will lead this year.

Parents Association

Thank you to all who supported the Gibneys Wine Fair. We raised a massive €2,200 for the school.

Reminder the PA AGM will be held on Monday 23rd October @7.30pm in the school library. All welcome and encouraged to attend.

Sports Corner

A huge congratulations to the girls GAA team who have reached the semi final of the Cumann na mBunscol competition. One of our players - Robyn Barnes (6th class) said - "the last match was really close but we came together as a team. If we win the next game we get to play in Croke Park in the final which we are all really excited about."

Come on Ollies!!
