

Principal's Message

What a busy few months it has been! Congratulations to all our pupils who have participated in the array of sports the last few months and represented our school so well. A big thanks to all our staff who train teams and supervise to support their colleagues!

Science Week 2025

In April, the school buzzed with excitement for Science Week! A real scientist from "Anyone for Science" visited, bringing the wonders of Physics to life.

Classes across the school transformed into mini-labs, with students donning their investigative hats to conduct exciting experiments, from fizzing potions to incredible chemical reactions

APRIL & May

Waste 2 Wow

On Friday May 9th, classes exhibited their creations in the School Library. The aim was to present art projects using only recyclable materials. We were blown away by the entries!

Sports

This month's Sports Corner is brought to you by some 6th class students. Thanks for their help keeping us up to date with all the latest Sports News!

50th Anniversary

The School is celebrating 50 years on Friday June 20th. If you are a past pupil and would like to take part in the day's events please contact us!

First Holy Communion

Congratulations to all the children who made their First Holy Communion on May 24th. A truly special time for all our children and parents in Second Class. Thank you to the teachers and SNAs who prepared the classes so well. What beautiful singing and music from our Senior Choir. Thanks to all who help out with the School Party too. So appreciated.

Sports Corner Bumper Edition!

Athletics

On Wednesday we went to ALSAA for a race , it was the final for all of the Fingal races . The third class ran 300m , fourth class ran 400m , fifth 500 and sixth 600 .The track was 400 meters so from fourth up had to start in the forest , while the races were happening there were activities for the kids to do . For example , you could play hockey , tag rugby , race and so on . At the end of the day awards were given out , there were awards for the winners of the other races then the most green school , and finally the overall winners . Sadly we didn't win anything but we had a great day-by **Abbie Penrose**

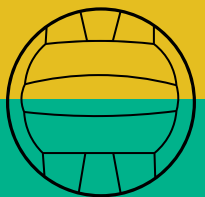

Boys Basketball

During this year's season we made the school league final and we unfortunately lost in Tallaght hall to Scoil Asin but it was still great to make it to the final.

We lost in the semi final in the cup by one point by the same team that beat us in the league final.

Now to finish of the season we have a scrimmage with 6 boys and 6 girls to make a team- by **Jamie Prior**

Boys GAA

The boys Gaelic team played in the premier division league final of the Fingal league. We played 4 group matches this year and successfully won them all. We were then placed in the final against Rush NS. We were successful in our journey and won well and brought back the cup. We had a great game and scored a lot beating the team by a good bit.the final score was 1-5 to 5-17- by **Cillian Ward**

Girls GAA

This year the senior girls gaa team have competed in two competitions, The first one being the Cumman Na mBunscoil in 2024. We made it to the semi-finals but ended up losing out to a very good school from Castleknock in October. Between then and the end of March we played a few friendly's and did a few training sessions. Then at the end of March the Fingal league started. Our first match was away against Holy Family which ended as a draw, Then the week after we played Scoil Cholmcille and won which put us in a very good position, Next we played Dunshaughlin and won and lastly Mary Mother of hope but lost by two points so we didn't make it straight to the final meaning we had to playoff against Scoil Cholmcille in a semi final which we won. Yesterday we played our final in Abbotstown which the fourth,fifth and sixth class went to watch against Dunshaughlin, overall the match was extremely close from start to finish ending in a draw!!! Which means a replay in about two weeks.

Girls Basketball

This year the girls basketball team competed in a league and a cup being very successful in both. The league started in October and matches were spread across 5/6 months, usually playing a match a month. We made the league final and played a school called Scoil Aine who we had played the previous year and were really good. The league final was in Tallaght and all of 6th class were watching the girls and boys basketball teams that day. We knew the match against Scoil Aine wouldn't be easy but in the end we won by a good few points. Whilst we were playing league matches cup games also started around January. We played 5 or 6 matches before making the cup final in Oblates, Inchicore. In the final we played a school call Scoil Collimcoil form knocklyon, the match was very close but we ended up winning 40-31- **both by**

Eve Heeley

Girls Soccer

This year the girls soccer team played six matches and unfortunately not all of them went according to plan. We had loads of fun with our team and playing this season.

We played four league matches and two cup matches. We won one of our cup matches and sadly lost our other on penalties. We started our season playing a 5 aside tournament. Our team was split into two teams. One of them made the final but sadly didn't win. We enjoyed our time playing with the school so much!! by- **Julia Donohoe**

Thank you Coaches!

A huge thank you to all the dedicated coaches who volunteer their time to train our school sports teams! Without your incredible commitment, passion, and tireless efforts, our pupils simply wouldn't have the fantastic opportunities to develop their skills, learn teamwork, and represent our school at matches and tournaments. Your hard work truly makes a difference! Here's to next year! Thank you to all the parents for their support with teams all year.

Junior Boys GAA

Congratulations to our junior boys team who had a fantastic win against Pope John Paul's last Thursday in Fingallians. The Third Class students were invited to go as spectators and were so excited to wear the Green and Blue to cheer on the lads.
